

# FisMat 2019

University of Catania  
September 30 – October 4, 2019

## Conference Chairs:

Ezio Puppin (CNISM)

Corrado Spinella (CNR)

Francesco Priolo (University of Catania)

FisMat 2019, the Italian National Conference on the Physics of Matter (including Optics, Photonics, Liquids, Soft Matter), will be held from September 30 to October 4, 2019 in Catania, hosted by the Dipartimento di Fisica e Astronomia “Ettore Majorana” of the University of Catania.

## Scientific Committee

Chair: Maria Grazia Grimaldi

Giuseppe Angilella (Univ. Catania)

Stefano Atzeni (Univ. La Sapienza)

Federico Boscherini (Univ. Bologna)

Paolo De Natale (CNR - INO)

Aldo Di Carlo (Univ. Tor Vergata)

Stefano Fabris (CNR - IOM)

Giuseppe Falci (Univ. Catania)

Carlo Ferdeghini (CNR - SPIN)

Giacomo Ghiringhelli (Polit. Milano)

Giuseppe Gigli (Univ. Salento)

Giuseppe Gonnella (Univ. Bari)

Antonino La Magna (CNR - IMM)

Maurizio Leone (Univ. Palermo)

Giampaolo Mistura (Univ. Padova)

Mauro Nisoli (Polit. Milano)

Vittorio Privitera (CNR - IMM)

Gianmichele Ratto (CNR - NANO)

Lucia Sorba (CNR - NANO)

## Scientific secretariat

Antonella Tajani (CNR)

## Organizing local committee

Chairs: Antonio Terrasi (Univ. Catania), Giorgia Franzò (IMM-CNR)

Riccardo Reitano, Luigi Amico, Elisabetta Paladino, Nunzio Guardone (Univ. Catania);

Fabrizio Roccaforte, Maria Miritello, Silvia Scalese, Giuseppe Pantè (IMM-CNR).

## Major topics

- Advanced computational methods
- Biophysics
- Energy and environment
- Magnetism and correlated systems
- Nanoscience and nanotechnology
- Neurosciences
- Optics and photonics
- Organic materials
- Oxides and compounds
- Plasma physics
- Quantum information and technologies
- Semiconductors and devices
- Sensors
- Soft matter
- Statistical physics
- Superconductivity
- Synchrotrons and FELs
- Two dimensional materials

## Important dates

Abstract submission 18/02/19 - 03/06/19

Online registration 19/06/19 - 29/09/19

## Registration fee

Online before the conference 300 €
